Lightning to USB Cable
1m | 2m

- Connects your iPhone, iPad and iPod to your computer for syncing and charging.
- Connects to a USB power adapter for charging
- Apple MFi certified

The Kanex 8-pin to USB cable connects your iPhone, iPad, or iPod with a Lightning connector to your computer's USB port for syncing and charging. You can also connect to a USB Power Adapter to charge from a wall outlet or car charger.

iPhone 5S

Durable Design for Everyday Use

Built for daily use, this single cable solution can back up files or transfer pictures, music and videos all while charging your device.

Apple MFi Certified

The Kanex Lightning cable is a convenient 1m length and Apple MFi Certified, which means it's made specifically to fit with your iPhone, iPad and iPod so you can expect quality performance and reliability.

Made for iPod iPhone iPad

Did You Know?

The 8-pin to USB cable works flawlessly with Kanex Sydnee, DoubleUp and Car Chargers to charge multiple devices simultaneously and fast.

In addition, users can connect the 8-pin cable to Kanex USB3 4-Port Hub and DualRole to sync with Mac/PC.
